

K-W-L Chart

Name: _____

Date: _____

Select an item or an idea that you want to know more about.

In the first column, write down or draw what you already know about it.

In the second column, write down or draw what you want to know about it.

After you have found answers to your questions, write down or draw what you learned in the third column.

What I Know	What I Want to Know	What I Learned
